**Information and Correspondence**

Marks mentioned he had contact from a home owner about a buildup of silt and that the bird flu warning had been rescinded. He also provided information previous harvesting totals.

Rosenquist provided an update from the 2022 VSC.

Bluemel provided correspondence from property owners with questions on fish and dredging requests.

Sauld mentioned his contact with homeowners on the canal reference shoreline protection and another that had beavers chewing on her trees. He also went to KCG Accounting to again ask on the status of the audits.

Mayer mentioned that the DNR contracted with Limb Walkers to remove three large trees on the south lot line of the public launch.

Bellante mentioned a recent newspaper article on the disappearance of Walleye in State lakes.

## **Old Business**

### **Update on Harvesting Program**

Landry provided an update, stating that harvesting started on June 20<sup>th</sup>, getting only 3 loads. Per Craig Helker, weed growth is about a month behind. Fitzgerald has completed his DNR training and will get two more observation shifts before operating independently. Kerns has been out of town and has not started his training yet.

### **Update on Sale of Western Portion of District Lot**

Mayer stated that the Closing will be soon

### **Update on Extension for Aquatic Plant Mgmt Plan**

Bluemel provided update grant and suggested that we formulate a RFP for the APMP. Mayer will work on a draft RFP for the next meeting.

### **Update on Buoy Locations**

Marks said that it is a work in progress. Buoys are misplaced but changing anything will take time.

### **Update on NSD Lift Station #5 Project**

Schopp mentioned that had had contacted State representatives to request their assistance to gain DNR consideration of the public launch location.

Bluemel mentioned that he contacted a lawyer to determine the rights of the WLMD. The NSD cannot use imminent domain because there already in a lift station in service and they can't take land without compensation. The price would have to be negotiated and based on appraisal.

### **Update on Chemical Treatment**

Bellante provided update on the recent chemical treatments. It took multiple trips, but the treatment was completed.

### **Update on Goose Round Up**

Mayer provided update on why the USDA denied our request. The USDA has requirements for respirators and special suits when dealing with geese potentially infected with Avian flu, but the USDA was not prepared or willing to meet those requirement and therefore, denied our request this year.

### **Update on Annual Meeting Date/Location**

Schopp confirmed the Hall is available on September 8<sup>th</sup> at 7pm.

### **Update on Proposed DNR Program Changes**

DNR has proposed dramatic increases for chemical treatment permits and harvesting permits. There was a brief discussion on how to best address the increase in fees.

### **New Business**

#### **Discussion and Possible Action on Legal Consultation (Lift Station)**

(Addressed Previously)

#### **Discussion and Possible Action on PFD Station at Public Launch**

Rosenquist mentioned a program that offers PFDs for the public to borrow. The Coast Guard Auxiliary donated 10 PFDs. Rosenquist requested permission to investigate the possibility of the program.

Sauld made a motion to allow Rosenquist to investigate the cost and issues with operating a program, seconded by Schopp. Discussion followed on getting the Town more involved. Motion passed 5-1, with Bellante in the minority.

#### **Discussion and Possible Action on Roadside Weed Pickup Contract**

Mayer stated that there was an insurance issue that has since been resolved.

### **Any Other Business that May Properly Come Before this Board**

Marks mentioned the option of contracting with a grant writing firm. WWMD is considering the same option and may provide the groundwork.

Sauld mentioned a property owner that had previously requested a fee waiver had now combined lots. That item will be added to the next agenda.

### **Adjourn**

Meeting adjourned at 8:22pm
